

MEMORIAL BRICK CAMPAIGN

To raise money for the maintenance and support of Durward's Glen, we are launching a Memorial Brick Campaign. The bricks are 6" x 11" and line the pathway leading to and in front of the "Mary, Mother of God Grotto". There are also bricks leading to the St. Anthony Garden. Inside the Grotto, you have the choice of 12" x 12" floor tiles in front of the Mary, Mother of God statue.

The price range increases as you move closer to the grotto and is listed on the order form in this brochure.

Please consider purchasing a brick in memory of a loved one or for your entire family. Durward's Glen is here to serve this community and asks for your support. May God bless you "With the Peace that You Seek."

Only the Name Has Changed...

With the hope of creating a feeder school or junior college, the Our Lady of the Rosary Group introduced Durward's Glen to the College of St. Mary Magdalen on April 30, 2007. The economy did not cooperate, and on May 1, 2011 the Our Lady of the Rosary Group has reclaimed Durward's Glen for the Columbia-Sauk County community.

The mission remains the same: "To be open to the people" and "to use this gift from God to bring souls closer to Christ."

In lieu of this mission, the Our Lady of the Rosary Group has created a new 501 C 3 corporation, "Durward's Glen OLRG, Ltd. Donations to this corporation are fully tax deductible under the law and all proceeds go to the maintenance and improvement of Durward's Glen.

We hope you will support our efforts to maintain and improve what Bernard Durward started over 150 years ago, and which continues to enhance our community today.

Durward's Glen continues to offer and to host retreats of all kinds: religious, government, business and family gatherings and reunions, as well as individual retreats. With its 30 plus rooms and two additional buildings, the Cottage and the Hermitage, Durward's Glen can accommodate as many as 45 people with overnight facilities. Check our web site for an up to date schedule of future events. You will also find a "working calendar" which will aid you in planning your own retreat at beautiful Durward's Glen.

Come, enjoy God's creation we call "Durward's Glen" and drink in "The Peace that You Seek."

Order Form

Brick Placing:

- A Inside Grotto \$25,000
