

Your Donor Dollars at Work...

Because of the generous donations received from our supporters, many accomplishments toward the maintenance and improvement of Durward's Glen have been achieved this quarter.

New locks have been installed on all the exterior doors.

A donation of 100 towels, hand towels and wash clothes was received from Gregory and Sharon McArthur of McArthur Towels.

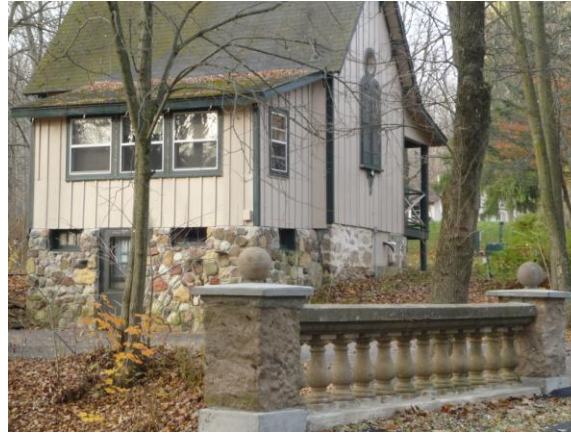

A flag pole was installed

A much needed repair, a new roof has been installed on the south side of the log section of the main building and the east side of the Immaculate Conception Chapel.

We need your financial assistance. Every donation helps, whether large, or small. Talk to your friends about Durward's Glen. Bring them here to experience the holiness of God's sacred grounds.

A new stone railing has been installed on the driveway bridge

Volunteers Make the Difference

Jennifer and Chris Blau, Karen Gutzman, Linda Bessler and a host of volunteers put their heads together and painted and renovated the East Wing of the Main Building with amazing results at minimum cost!

We pray that Jesus Christ and the Holy Spirit, through the intercession of His Blessed Mother, will guide you in your effort to send a generous gift to Durward's Glen OLRG, Ltd.

We are in awe of the generosity and support of so many people and we can't thank you enough.
